of

DARELLE ONLINE SOLUTIONS INC.

To Be Held on January 9, 2020

All information in this Information Circular is presented as of December 2, 2019, unless otherwise stated herein.

DARELLE ONLINE SOLUTIONS INC.

NOTICE OF ANNUAL GENERAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that an Annual General Meeting (the "**Meeting**") of the holders (the "**Shareholders**") of common shares in the capital of Darelle Online Solutions Inc. (the "**Company**" and/or "**darelle**") will be held at the offices of MNP LLP, located at Suite 2200, 1021 West Hastings Street, Vancouver, British Columbia, V6E 0C3 at 11:00 a.m. (PDT) on January 9, 2020 for the following purposes:

1. to receive the consolidated audited financial statements of the Company for the financial years ended August 31, 2019, and August 31, 2018 together with the report of the auditors thereon;
2. to appoint MNP LLP, as the auditors of the Company for the ensuing year and to authorize the Directors to fix their remuneration;
3. to set the number of Directors at four;
4. to elect Directors to hold office until the next annual meeting;
5. to consider and, if thought fit, to pass an ordinary resolution providing the required annual approval of the Company's Rolling Stock Option Plan, as particularly described in the accompanying Management Information Circular; and
6. to transact such further or other business as may properly come before the Meeting or any adjournment or adjournments thereof.

Accompanying this Notice of Meeting is a Management Information Circular (the "**Information Circular**"). Reference is made to the Information Circular for details of the matters to be considered at the Meeting.

The Directors of the Company have fixed the close of business on 5:00 pm (PST) on November 26, 2019 as the record date for the Meeting (the "**Record Date**") for determining Shareholders entitled to receive notice of, and to vote at the Meeting and any postponement or adjournment of the Meeting, except to the extent that a Shareholder has transferred any darelle common shares after that date and the new holder of such darelle common shares establishes proper ownership and requests not later than 10 days before the date of the Meeting that his/her name be included in the list of Shareholders eligible to vote at the Meeting and any postponement or any adjournment thereof.

As described in the "notice and access" notification mailed to Shareholders of the Company, the Company has opted to deliver its Meeting materials to Shareholders by posting them on its website at www.darelle.com and under the Company's profile on the Canadian System for Electronic Document Analysis and Retrieval ("**SEDAR**") at www.sedar.com on December 4, 2019. The use of this alternative means of delivery is more environmentally friendly and more economical as it reduces the Company's paper and printing use and thus reduces the Company's paper and printing use and thus reduces the Company's printing and mailing costs. The Meeting materials will be available on the Company's website for one full year.

Shareholders who wish to receive paper copies of the Meeting materials prior to the meeting may request copies from the Company by calling (604) 628-2008 or by sending an email to info@darelle.com no later than December 16, 2019.

If you are not able to attend the Meeting, please vote by using the proxy form or voting instruction form included with the “notice and access” notification and return it according to the instructions provided before 11:00 am PDT on January 7, 2020.

If you have any questions about the procedures required to qualify to vote at the Meeting or about obtaining and depositing the required form of proxy, you should contact Computershare Investor Services Inc. by telephone (toll free) at 1-800-564-6253, by fax at 1-866-249-7775 or by e-mail at service@computershare.com

DATED at Nanaimo, British Columbia this 2nd day of December 2019.

ON BEHALF OF THE BOARD

(signed) “Dean Bethune”

President, Chief Executive Officer and Director

Whether or not you expect to attend the Meeting or any postponement or adjournment thereof, PLEASE SIGN, DATE AND RETURN THE ENCLOSED PROXY PROMPTLY IN THE ENCLOSED ENVELOPE OR VOTE BY PROXY USING THE TELEPHONE OR INTERNET BY FOLLOWING THE INSTRUCTIONS PROVIDED IN THE ACCOMPANYING FORM OF PROXY. To be effective, proxies must be received by Computershare Investor Services Inc. by 11:00 am (PDT) on Tuesday January 7, 2020. If you are a non-registered shareholder and receive these materials through your broker or through another intermediary, please complete and return the materials in accordance with the instructions provided to you by your broker or by other intermediary. Failure to do so may result in your common shares not being eligible to be voted by proxy at the Meeting. Your promptness in returning the proxy will assist in the expeditious and orderly processing of proxies and will ensure that your darelle common shares are represented. Please note that registered shareholders of the Company may vote in person at the Meeting and any postponement or any adjournment thereof even if you have previously returned the proxy. Proxies will be counted and tabulated by Computershare Investor Services Inc., the Company’s registrar and transfer agent in such a manner as to protect the confidentiality of how a particular shareholder votes except where they contain comments clearly intended for management, in the case of a proxy contest, or where it is necessary to determine the proxy’s validity or to permit management and the Board of the Directors to discharge their legal obligations to the Company or its Shareholders.

MANAGEMENT INFORMATION CIRCULAR

(Containing information as at December 2, 2019 unless indicated otherwise)

PERSONS MAKING THE SOLICITATION

The Management Information Circular (the “Information Circular”) is furnished in connection with the solicitation of proxies being made by management (“Management”) of Darelle Online Solutions Inc. (the “Company” and/or “darelle”) for use at the Annual General Meeting (the “Meeting”) of holders of common shares (the “Shareholders”) in the capital of the Company (the “Common Shares”) to be held on Thursday January 9, 2020 at 11:00 am PDT at the offices of MNP LLP, located at Suite 2200, 1021 West Hastings Street, Vancouver, British Columbia, V6E 0C3 and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by the Directors, officers and employees of the Company or by agents retained for that purpose at nominal cost. All costs of this solicitation will be borne by the Company.

The contents and the sending of this Information Circular have been approved by the Directors of the Company.

Unless otherwise stated herein, all currency amounts indicated as “\$” in this Information Circular are expressed in Canadian Dollars, the Company’s reporting currency.

APPOINTMENT OF PROXY HOLDER AND VOTING BY PROXY

The individuals named in the accompanying form of proxy (the “Proxy”) are Directors and/or officers of the Company (the “Management Proxyholders”). **A shareholder wishing to appoint a person or company other than Management Proxyholders to attend and act for the shareholder and on the shareholder’s behalf at the Meeting has the right to do so, by striking out the names of the Management Proxyholders and by inserting the desired person’s or company’s name in the blank space provided in the proxy, or by executing a proxy in a form similar to the enclosed form. In either case, the completed form of proxy must be received by Computershare Investor Services Inc. prior the Meeting or any adjournment thereof. A proxyholder need not be a shareholder.**

You can choose to vote your Common Shares by proxy, by mail, by telephone or on the Internet. If you vote your Common Shares by proxy by mail, completed forms of proxies **must be received by the Company’s transfer agent, Computershare Investor Services Inc. (“Computershare”), at Proxy Department, at 100 University Avenue, 8th Floor, Toronto, Ontario, Canada M5J 2Y1.** Telephone and Internet voting can also be completed 24 hours a day, 7 days a week which is noted on your proxy form. If you vote by telephone, you cannot appoint anyone other than the appointees named on the proxy form as your proxyholder. For internet voting, go to www.investorvote.com and follow the instructions on the screen. For either telephone or internet voting, you will need your 15-digit control number which is noted on your proxy form. **Duly completed forms of proxy or a vote using the telephone or over the Internet must be completed no later than forty-eight (48) hour (excluding Saturdays, Sundays and holidays) before the time of the Meeting, or any adjournment thereof.**

If you are a beneficial shareholder and receive these materials through your broker or through another intermediary, please complete and return the form of proxy in accordance with the instructions provided by your broker or other intermediary.

ADVICE TO NON-REGISTERED HOLDERS OF COMMON SHARES

The information set forth in this section is of significant importance to many shareholders as a substantial number of shareholders do not hold the Common Shares of the Company in their own name. Shareholders who hold Common Shares through their banks, brokers, trustees or other persons (“Intermediaries”), or otherwise do not hold their Common Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only Proxies deposited by Shareholders who appear on the records maintained by the Company’s registrar and transfer agent as registered holders of Company Shares (“Registered Shareholders”) will be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, those Common Shares will, in all likelihood, not be registered in the Shareholder’s name. Such Common Shares more likely will be registered under the name of the Shareholder’s broker or agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name of the Canadian Depository for Securities which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder’s meetings. The Intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of Proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the instrument of proxy provided directly to Registered Shareholders by the Company and is commonly referred to as a “voting instruction form”. However, its purpose is limited to instructing the Registered Shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”). Broadridge typically prepares a machine-readable voting instruction form, mails such forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote their Common Shares directly at the Meeting. The voting instructions must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have those Shares voted. If you have any questions respecting the voting of Common Shares held through an Intermediary, please contact that Intermediary promptly for assistance.** Although a Beneficial Shareholder may not be recognized directly at the Meeting for purposes of Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their securities as proxyholder for the Registered Shareholder should enter their own name in the blank space on the form of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker.**

These security holder materials are being sent to both Registered Shareholders and Beneficial Shareholders who have not objected to the intermediary through which their common shares are held disclosing ownership about themselves to the Company (“NOBOs”). If you are a NOBO, and the

Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from Intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Intermediary holding Common Shares on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

REVOCATION OF PROXIES

A Registered Shareholder who has given a Proxy may revoke it by an instrument in writing executed by the Registered Shareholder or by the Registered Shareholder's attorney authorized in writing or, if the Registered Shareholder is a company, by a duly authorized officer or attorney of the company, and delivered to Computershare Investor Services Inc. not less than 48 hours (excluding Saturdays, Sundays, and holidays) before the Meeting or any adjournments of it, or to the chair of the Meeting on the day of the Meeting or any adjournment of it. **Only Registered Shareholders have the right to revoke a Proxy. Beneficial Shareholders who wish to change their vote must, in accordance with the instructions provided by the Intermediaries, arrange for their respective Intermediaries to revoke the Proxy on their behalf. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.**

VOTING OF PROXIES

The Common Shares represented by a properly executed proxy in favor of Management Proxyholders will:

- (a) be voted or withheld from voting in accordance with the instructions of the person appointing the Management Proxyholder on any ballot that may be called for; and
- (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made in such proxy.

ON A POLL SUCH COMMON SHARES WILL BE VOTED IN FAVOUR OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED BY THE SHAREHOLDER. The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. If any amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the Management Proxyholders to vote in accordance with their best judgement on such matters or business. At the time of the printing of this Information Circular, the Management knows of no such amendment, variation or other matter that may be presented to the Meeting.

ELECTRONIC DELIVERY OF PRODUCTS

Every year, as required by laws governing public companies, the Company delivers documentation to shareholders. In order to make this process more convenient, Shareholders may choose to be notified by email when the Company's documentation, including the Meeting materials, is posted on the Company's website www.darelle.com and accordingly, such documentation will not be sent in paper form by mail other than as required by applicable laws.

Delivery in an electronic format, rather than paper, reduces costs to the Company and benefits the environment. Shareholders who do not consent to receive documentation through email notification will continue to receive such documentation by mail or otherwise, in accordance with securities laws.

By consenting to electronic delivery, Shareholders: (i) agree to receive all documents to which they are entitled electronically, rather than mail; and (ii) understand that access to the Internet is required to receive a document electronically and certain system requirements must be installed (currently Adobe Acrobat Reader to view Adobe's portable document format (“PDF”). Such documents may include the interim consolidated financial reports, the annual report (including audited annual consolidated financial statements and management's discussion and analysis (“MD&A”), the notice of annual and/or special meeting and related management information circular and materials, and other corporate information about the Company.

At any time, the Company may elect to not send a document electronically, or a document may not be available electronically. In either case, a paper copy will be mailed to Shareholders.

Registered Shareholders can consent to electronic delivery by completing and returning the form of consent included with the form of proxy. Non-registered Shareholders can consent to electronic delivery by completing and returning the appropriate form received from the applicable intermediary.

Shareholders are not required to consent to electronic delivery. The Company will notify consenting Shareholders at the email address provided by the Shareholder on the form of proxy when the documents that the Shareholder is entitled to receive are posted on the Company's website, with a link to the specific pages of the website containing the PDF document.

NOTICE AND ACCESS

In 2012, the Canadian Securities Administrators announced the adoption of regulatory amendments to securities laws governing the delivery of proxy-related materials by public companies. As a result, public companies are now permitted to advise their Shareholders of the availability of all proxy-related materials on an easily accessible website, rather than mailing physical copies of the materials.

As described in the “notice and access” notification mailed to Shareholders of the Company, the Company has opted to deliver its Meeting Materials to its Shareholders by posting them on its website at www.darelle.com and under the Company's profile on the Canadian System for Electronic Document Analysis and Retrieval (“SEDAR”) at www.sedar.com on December 2, 2019. The Meeting materials will be available on the Company's website for one full year.

The Company has decided to mail paper copies of the Information Circular to those registered and non-registered Shareholders who had previously elected to receive paper copies of the Company's Meeting materials. All other Shareholders will receive a “notice and access” notification which will contain information on how to obtain electronic and paper copies of the Information Circular in advance of the Meeting and for a full year following the Meeting.

Copies of the Financial Statements, the auditor’s report and management’s discussion and analysis (“**MD&A**”) for the years ended August 31, 2019 and 2018 have been mailed to all Registered Shareholders and Non-Registered Shareholders (or beneficial shareholders) who have opted to receive such materials. These documents can also be found under the Company’s profile on SEDAR at www.sedar.com. No vote by the shareholders is required to be taken with respect to the Financial Statements.

Appointment and Remuneration of Auditors

Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted for the appointment of MNP LLP (“**MNP**”) as auditors of the Company to hold office until the close of the next annual meeting of the Company, at a remuneration to be fixed by the Directors of the Company. MNP was first appointed as auditors of the Company June 23, 2014.

Number of Directors

The Articles of the Company provide that the Board must consist of a minimum of three Directors, to be elected annually by the Shareholders. The Board currently consists of five Directors and it is intended to set the number of Directors at four Directors for the ensuing year. At the Meeting, the Shareholders will be asked to set the number of Directors of the Company at four. **The Board recommends a vote “FOR” the setting of the number of Directors of the Company at four (4). In absence of a contrary**

instruction, the persons designated by management of the Company in the enclosed form of proxy intend to vote FOR the setting of the number of Directors of the Company at four (4).

Election of Directors

The term of office of each of the present Directors expires at the Meeting. The Board proposes to nominate the persons named in the table below for election as Directors of the Company. The nominees consist of each of the existing Directors of the Company. Each Director elected will hold office until the next annual general meeting of the Company or until his or her successor is duly elected or appointed, unless the office is earlier vacated in accordance with the Articles of the Company or the *Business Corporations Act* (British Columbia) or he becomes disqualified to act as a Director.

Advance Notice Policy

The Company has adopted an advance notice policy (the “**Advance Notice Policy**”). The Advance Notice Policy provides that any Shareholder seeking to nominate a candidate for election as a Director (a “**Nominating Shareholder**”) at any annual meeting of the Shareholders, or for any special meeting of Shareholders if one of the purposes for which the special meeting was called was the election of Directors. For a nomination to be made by a Nominating Shareholder, the Nominating Shareholder must have given timely notice thereof in proper written form to the Company.

To be timely, a Nominating Shareholder’s notice to the Corporate Secretary of the Company must be made (a) in the case of an annual meeting of shareholders, not less than thirty (30) nor more than sixty-five (65) days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than fifty (50) days after the date (the “**Notice Date**”) on which the first public announcement (as defined below) of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the tenth (10th) day following the later of the Notice Date; and (b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing Directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement (as defined below) of the date of the special meeting of shareholders was made.

The time periods for the giving of a Nominating Shareholder’s notice set forth above shall in all cases be determined based on the original date of the applicable annual meeting and/or special meeting of shareholders, and in no event shall any adjournment or postponement of a meeting of shareholders, or the reconvening of any adjourned or postponed meeting of shareholders, or the announcement thereof, commence a new time period for the giving of a Nominating Shareholder’s notice as described above.

The chair of the Meeting shall have the power and duty to determine whether a nomination was made in accordance with the notice procedures set forth in the Advance Notice Policy and, if any proposed nomination is not in compliance with such provisions, the discretion that such defective nomination will be disregarded.

The Advance Notice Policy also prescribes the proper written form for a Nominating Shareholder’s notice. The Advance Notice policy is available on the Company’s website at www.darelle.com

Majority Voting Policy

In accordance with good corporate governance practices and procedures, the Board of Directors of the Company adopted a Majority Voting Policy at a meeting of the Board on October 29, 2017 (the

“**Majority Voting Policy**”). The Majority Voting Policy provides that each Director of the Company must be elected by the vote of a majority of the Company’s Common Shares, represented in person or by proxy, at any meeting held for the election of Directors. Forms of proxy for the election of Directors will permit a shareholder to vote in favour of, or to withhold from voting, separately for each Director nominee.

If any nominee for Director does not receive a majority vote in favour of his or her election from the shares voted at the meeting in person or by proxy, the Corporate Governance and Nominating Committee of the Company will expeditiously consider whether to recommend that the Board request that such Director tender his or her resignation. In making this recommendation, the Corporate Governance and Nominating Committee of the Company may consider such extenuating circumstances as it deems appropriate including without limitation circumstances relating to the composition of the Board or voting results.

The Board shall consider any recommendation to this regard within ninety days (90) of the relevant shareholders’ meeting.

Director Nominees

The following table provides the name, residence, participation on the Company’s Board and Board committees, number of common shares beneficially owned or controlled or directed as of the date of this Information Circular and principal occupation during the preceding five years of each of the nominated Directors of the Company. Each Director will hold office until the next annual meeting of Shareholders or until his or her successor is duly elected unless his or her office is earlier vacated in accordance with the Company’s articles.

The Board recommends a vote “FOR” the appointment of each of the following nominees as Directors. STATEMENT OF EXECUTIVE COMPENSATION

Compensation Philosophy

The Company's core compensation philosophy is to pay the Company's executive officers' competitive levels of compensation that best reflect their individual responsibilities and contributions to the Company, while providing incentives to achieve the Company's business and financial objectives.

Compensation Discussion and Analysis

For the purposes of this Information Circular, "Named Executive Officer" or "NEO" means: (a) the Chief Executive Officer "CEO", (b) the Chief Financial Officer ("CFO"), (c) the three most highly compensated executive officers of the Company, whose total compensation was more than CDN\$150,000 for the most recently completed financial year; and (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

During the financial year ended August 31, 2019 the Company had two (two) NEO's, as follows:

| Name | Title |
|----------------|-------------------------|
| Dean Bethune | Chief Executive Officer |
| Scott Hamilton | Chief Financial Officer |

The Company's compensation structure is designed to reward performance and to be competitive with the compensation arrangement of other Canadian companies of similar size and scope of operations. A number of factors are considered when determining NEO compensation including, the overall financial

and operating performance of the Company, the NEO's individual performance and contribution to the benefit of the Company, the individual NEO's responsibilities and length of service, levels of compensation provided by industry competitors, and the long-term interests of the Company and its shareholders.

Role of the Compensation Committee

The Board established a Compensation Committee to assist that Board in fulfilling its responsibilities to the Company's human resources and compensation issues. The Compensation Committee is comprised of three (3) Directors, the majority of whom are independent. The Compensation Committee evaluates the CEO's performance and establishes executive and senior officer compensation, determines the general compensation structure, policies and programs of the Company, including the extent and level of participation in incentive programs, and makes recommendations to the Board for its consideration and approval. The Compensation Committee has also been mandated to review the adequacy and form of the compensation of Directors and to ensure that such compensation realistically reflects the responsibilities and risk involved in being an effective Director as well as the risk any such compensation policy or practice would have a material adverse effect on the Company.

The accountability for decisions on executive remuneration is clearly within the mandate of the Compensation Committee, but management has a key role in helping support the committee in fulfilling its obligations. For example, the CEO and other senior executives make recommendations to the Compensation Committee regarding executive officer base salary adjustments, stock-based grants and discretionary bonuses. The Compensation Committee reviews the basis for these recommendations and can exercise its discretion in modifying any of the recommendations prior to making its recommendations to the Board. The CEO does not make a recommendation to the Compensation Committee with respect to his own remuneration package.

Elements of Compensation

Compensation for the NEO's is comprised primarily of three components; namely, base salary or consulting fees, participation in the Company's Option Plan, and short-term incentive compensation in the form of discretionary performance bonuses. Other benefits do not form a significant part of the remuneration package of any of the NEO's.

Each compensation component has a different function, but all elements are intended to work in concert to maximize company and individual performance by establishing specific, competitive operational and financial goals and by providing financial incentives to executives based on their level of attainment of these goals. Each element of the Company's executive compensation program is described in more detail below.

Base Salaries

Base salary can include a combination of monthly salary and/or consulting fees (collectively referred to as "base salary") An NEO's base salary is intended to remunerate the NEO for discharging job responsibilities and reflects the executive's performance over time. Individual salary adjustments and/or modifications to consulting fees paid, take into account performance contributions in connection with their specific duties. The base salary of each executive officer is determined by the Compensation Committee based on an assessment of the NEO's sustained performance and consideration of competitive compensation levels for the markets in which the Company operates. In making its recommendations to the Board, the Compensation Committee also considers the particular skills and experience of the individual. The base salaries of executive officers of executive officers are reviewed annually. As

payment of base salaries does not depend on the performance of any specific targets or goals it is not viewed as “at risk” compensation.

Long Term Incentive Compensation – Stock Options

The stock option component of a NEO’s compensation, which includes a vesting element to ensure retention, serves to both motivate the executive toward increasing share value and to enable the executive to share in the future success of the Company. Individual stock options are granted by the Board on the recommendation of senior management, in the case of employees, and by the Compensation Committee, in the case of executive officers, including the NEO’s. Options are normally awarded by the Board upon the commencement of an individual’s employment with the Company based on the level of responsibility within the Company. Additional option grants may be made periodically to ensure that the number of stock options granted to any particular individual is commensurate with the individual’s level of ongoing responsibility with the Company. In considering additional grants, a number of factors are considered, including, the role the individual plays in the Company, the number of stock options an individual has been granted, the exercise price and the value of the options and the term remaining on those options. The terms and conditions of the Company’s stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Option Plan, which are described under “Securities Authorized for Issuance under Equity Compensation Plans”.

Short Term Incentive Compensation – Discretionary Cash Bonuses

The Company may award discretionary cash bonuses to executive officers and employees of the Company from time to time. The amount of the bonus that each individual may be eligible for is not set in relation to any formula or specific criteria, but is the result of a subjective determination of the Company’s performance, overall industry conditions, as well as the individual’s performance and his or her contribution to overall corporate goals. The payment of bonuses is subject to the final approval of the Board and the Board has the discretion to amend or veto bonuses in its sole discretion, as this form of compensation is “at risk”.

Risks Associated with Company’s Compensation Policies and Practices

Neither the Board nor the Compensation Committee has proceeded to a formal evaluation of the implications of the risks associated with the Company’s compensation policies and practices. Risk management is a consideration of the Board when implementing its compensation programme, and the Board and the Compensation Committee does not believe that the Company’s compensation programme results in unnecessary or inappropriate risk-taking including risks that are likely to have a material adverse effect on the Company.

The Company’s NEO’s and Directors are not permitted to purchase financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or Director.

The Corporate Governance and Nominating Committee members were Messrs. John Newman (Chair), Robert Solinger and Scott Hamilton. All Committee members with the exception of Mr. Scott Hamilton, were considered to be independent.

The Board appoints the members of the Corporate Governance and Nominating Committee for the ensuing year at its organizational meeting held in conjunction with each annual general meeting of the Shareholders of the Company. The Board may at any time remove or replace any member of the Corporate Governance and Nominating Committee and may fill any vacancy in the committee.

The Corporate Governance and Nominating Committee meets regularly each year on such dates and at such locations as the Chair of the committee determines. The Corporate Governance and Nominating Committee has access to such officers and employees of the Company and to such information respecting the Company and may engage independent counsel and advisors at the expense of the Company, all as it considers to be necessary or advisable in order to perform its duties and responsibilities.

AUDIT COMMITTEE AND NATIONAL INSTRUMENT 52-110, AUDIT COMMITTEES (“NI-52-110”) DISCLOSURE

As a reporting issuer in British Columbia, the Company is required to have an audit committee (the “Audit Committee”). Messrs. Robert Solinger, John Newman and Dean Bethune are currently members of the Company's Audit Committee. The Company has no Executive Committee.

The principal purpose of the Audit Committee is to ensure that the Company's management has designed and implemented an effective system of internal financial controls, to review and report on the integrity of the consolidated financial statements of the Company and to review the Company's compliance with regulatory and statutory requirements as they relate to financial statements, taxation matters and disclosure of material facts on financial and tax related matters.

The Company has adopted a formal written mandate. The Audit Committee Charter is attached to this Information Circular as **Appendix A**. The mandate is also available on the Company's website at www.darelle.com. The mandate provides that the Audit Committee shall consist of at least three members

of the Board, a majority of whom shall be “independent” within the meaning of National Instrument 52-110 *Audit Committees* (“NI 52-110”). NI 52-110 provides that a member of an audit committee is “independent” if the member has no direct or indirect relationship with the issuer, which could, in the view of the Issuer’s Board of Directors, reasonably interfere with the exercise of the member’s independent judgment. The Company is relying upon the exemption provided by Part 6 of NI 52-110, which exempts venture issuers from the requirement to comply with the restrictions on the composition of its Audit Committee and the disclosure requirements of its Audit Committee in the form as prescribed by NI 52-110.

The Audit Committee recommends to the Board the firm of independent auditors to be nominated for appointment by the Shareholders and the compensation of the auditors. The Audit Committee meets a minimum of four times per year.

Composition of the Audit Committee and Relevant Education and Experience

Below are details of each current Audit Committee member, including their name, whether they are independent and financially literate as such terms are defined under NI 52-110, and a summary of the Audit Committee member’s education and experience which is relevant to the performance of their responsibilities as an audit committee member.

| Member Name | Independent (1) | Financially Literate (2) | Education and experience relevant to performance of audit committee duties |
|----------------------------|-----------------|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Robert Solinger (Chair) | Yes | Yes | Mr. Solinger has acted as a director, officer and audit committee member of public companies listed on the TSX Venture Exchange for many years. Mr. Solinger currently the Chief Financial Officer of Wilcox Energy Corp. a private company focused on the development of oil and gas resources in Western Canada. |
| John Newman | Yes | Yes | Mr. Newman is a Fellow of CPA (Australia) and has acted as a director and, officer of several public and private oil and gas exploration companies, as well as several oilfield service companies in Western Canada. |
| Dean Bethune | No | Yes | Mr. Bethune is a CPA, C.A. and has acted as a director, officer and audit committee member of public companies listed on the TSX Venture Exchange and the TSX for many years. |

Note:

1. To be considered independent, a member of the audit committee must not have any direct or indirect “material relationship” with the Company. A material relationship which could, in the view of the Board of Directors of the Company, reasonably interfere with the exercise of a member’s independent judgement.
2. To be considered financially literate, a member of the audit committee must have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally

comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor that was not adopted by the Board of Directors.

Reliance on Certain Exemptions

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemptions contained in Section 2.4 of NI-52-110 (*De Minimis Non-audit Services*), or an exemption from NI 52-110, in whole or in part, granted under Part 8 (Exemptions) of NI 52-110.

Pre-Approval Policies and Procedures

the Audit Committee has adopted specific policies and procedures for engagement of non-audit services as described in the Audit Committee Charter.

External Auditor Service Fees (By Category)

The aggregate fees billed by the Company's external auditors, MNP LLP, in the last two fiscal years for audit service fees are as follows.

| Financial Year Ending | Audit Fees* | Audit Related Fees** | All Other Fees*** |
|-----------------------|-------------|----------------------|-------------------|
| 2019 | 20,500 | \$Nil | \$Nil |
| 2018 | \$20,500 | \$Nil | \$Nil |

Notes:

* The aggregate fees charged for assurance and related services reasonably related to the performance of an audit, including an estimate for 2019.

** Audit Related Fees primarily relate to review or read and comment engagements on the Company's quarterly financial statements.

*** Other Fees include tax review advisory fees.

Exemption

The Corporation is relying upon the exemption in section 6. I of the NI 52-110 — Audit Committees, which exempts venture issuers (as defined therein) from the requirements of Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of that instrument.

Compensation Committee

The principal purpose of the Compensation Committee is to implement and oversee compensation policies approved by the Board. The duties and responsibilities of the Compensation Committee include, without limitation, the following:

- (a) to recommend to the Board compensation policies and guidelines for the Company; and
- (b) to review and approve corporate goals and objectives relevant to the compensation of the CEO and, in light of those goals and objectives, to recommend to the Board the annual salary, bonus and other benefits, direct and indirect, of the CEO and to approve compensation for all other

designated officers of the Company, after considering the recommendations of the CEO, all within the human resources and compensation policies and guidelines approved by the Board.

The Company has adopted a formal written mandate for the Compensation Committee. The mandate provides that the committee shall consist of at least three members of the Board, a majority of whom shall be "independent" within the meaning of the Governance Guidelines. During the most completed financial year, the Compensation Committee members were Messrs. Michael Ellis (Chair), John Newman and Dean Bethune. All of the members of the Compensation Committee were independent, except for Mr. Bethune, the Company's CEO.

All members of the Compensation Committee have direct experience that is relevant to their responsibilities as Compensation Committee members. All of the members of the Compensation Committee have acted as Directors and/or Officers for a public company, and therefore have a good understanding of how compensation works and how to motivate staff. All of the members have good financial understanding, which allows them to assess the costs versus benefits of compensation plans. The members combined experience provides them with the understandings of the Company's success factors and risks which is very important when determining the metrics for measuring success. The Company did not retain any compensation consultants or advisors during or since the year ended August 31, 2019.

The Board appoints the members of the Compensation Committee for the ensuing year at its organizational meeting held in conjunction with each annual general meeting of the Company's Shareholders. The Board may at any time remove or replace any member of the Compensation Committee and may fill any vacancy in the committee.

The Compensation Committee meets at least once annually on such dates and at such locations as the Chair of the Compensation Committee determines. The Compensation Committee has access to such officers and employees of the Company and to such information respecting the Company and may engage independent counsel or advisors at the expense of the Company, all as it considers to be necessary or advisable in order to perform its duties and responsibilities. During the 2018 financial year, the Company did not engage independent counsel or advisors to assist the Compensation Committee in performing its duties and responsibilities.

Assessment of the Board

The Board, the Committee and individual Directors are not regularly assessed with respect to their effectiveness and contribution. The Board believes that such assessments are more appropriate for companies of a larger size and complexity which may have significantly larger boards of Directors. Where appropriate, the chair of the Board meets with individual Directors to discuss their contribution and that of the other Directors. Arising from such meetings, if appropriate, the Board considers procedural and substantive changes to increase the effectiveness of the Board, its committees and members.

Indebtedness of Directors and Executive Officers

None of the Company's Directors or executive officers, or former Directors or executive officers, nor any associate of such individuals, is as at the date hereof, or has been, during the financial year ended August 31, 2019, indebted to the Company or any of its subsidiaries in connection with a purchase of securities or otherwise. In addition, no indebtedness of these individuals to another entity has been the subject of a guarantee, support agreement, letter of credit or similar arrangement or understanding of the Company or any of its subsidiaries.

Interest of Informed Persons in Material Transactions

Other than as set out below and in this Information Circular, other than transactions carried out in the ordinary course of business of the Company, none of the Directors or executive officers of the Company, a Director or executive officer of a person or company that is itself an informed person or subsidiary of the Company, nor any shareholder beneficially owning, directly or indirectly, Common Shares of the Company, or exercising control or direction over Common Shares of the Company, or a combination of both, carrying more than of the voting rights attached to the outstanding shares of the Company nor an associate or affiliate of any of the foregoing persons has since September 1, 2018 (being the commencement of the Company's last completed financial year) any material interest, direct or indirect, in any transactions which materially affected or would materially affect the Company or any of its subsidiaries.

Management Contracts

No management functions of the Company or its subsidiaries are performed to any substantial degree by a person other than the Directors or executive officers of the Company or its subsidiaries.

PARTICULARS OF MATTERS TO BE ACTED ON

A. Annual Financial Statements

Pursuant to the *Business Corporation Act (British Columbia)*, the Directors will place before the Shareholders at the Meeting the audited consolidated financial statements of the Company for the fiscal years ended August 31, 2019 and 2018 and the Auditor's Report thereon along with the Company's Management's Discussion and Analysis. The Financial Statements and Auditor's Report will be filed on SEDAR at www.sedar.com. Shareholder approval is not required in relation to the financial statements.

B. Appointment of Auditor

At the Meeting, the Shareholders will be asked to vote for the appointment of MNP LLP (**MNP**) as the auditors of the Company, to hold office until the next annual meeting of Shareholders and authorizing the Directors to fix the remuneration to be paid to the auditors. MNP were first appointed as auditors of the Company on June 23, 2014.

C. Approval of Stock Option Plan

The Company's current Option Plan governing the issuance of stock options was initially adopted at the annual general meeting held on June 23, 2014 and most recently approved by shareholders on January 13, 2017.

The purpose of the Option Plan is to ensure that the Company is able to provide an incentive program for Directors, officers, employees and persons providing services to the Company (each, an "**Optionee**") that provides enough flexibility in the structuring of incentive benefits to allow the Company to remain competitive in the recruitment and maintenance of key personnel.

The Option Plan is administered by the Board, which shall, without limitation, have full and final authority in its discretion, but subject to the express provisions of the Option Plan, to interpret the Option Plan, to prescribe, amend and rescind rules and regulations relating to it and to make all other

determinations deemed necessary or advisable for the administration of the Option Plan, subject to any necessary shareholder or regulatory approval. The Board may delegate any or all of its authority with respect to the administration of the Option Plan. The Board shall determine to whom options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such options shall be granted and vested, and the number of Darelle Shares to be subject to each option.

The material terms of the Option Plan are qualified in its entirety by the full text of the Option Plan and are summarized below.

Under the Option Plan, options are exercisable over periods of up to 10 years as determined by the Board and are required to have an exercise price no less than the closing market price of the Company's shares on the trading day immediately preceding the day on which the Company announces the grant of options (or, if the grant is not announced, the closing market price prevailing on the day that the option is granted), less the applicable discount, if any, permitted by the policies of the TSXV and approved by the Board. Pursuant to the Option Plan, the Board may from time to time authorize the issue of options to Directors, officers, employees and consultants of the Company and its subsidiaries or employees of companies providing management or consulting services to the Company or its subsidiaries. The maximum number of common shares which may be issued pursuant to options previously granted and those granted under the Option Plan are 10% of the issued and outstanding common shares at the time of the grant. In addition, the number of shares which may be reserved for issuance to any one individual may not exceed (without shareholder approval) 5% of the issued shares on a yearly basis or 2% if the optionee is engaged in investor relations activities or is a consultant. The Option Plan contains no vesting requirements but permits the Board to specify a vesting schedule in its discretion, subject to the TSXV's minimum vesting requirements, if any.

The Option Plan provides that if a change of control (as defined in the Option Plan) occurs, or if the Company is subject to a take-over bid, all shares subject to stock options shall immediately become vested and may thereupon be exercised in whole or in part by the option holder. The Board may also accelerate the expiry date of outstanding stock options in connection with a take-over bid.

The Option Plan contains adjustment provisions with respect to outstanding options in cases of share reorganizations, special distributions and other corporation reorganizations including an arrangement or other transaction under which the business or assets of the Company become, collectively, the business and assets of two or more companies with the same shareholder group upon the distribution to the Company's shareholders, or the exchange with the Company's shareholders, of securities of the Company or securities of another corporation.

The Option Plan provides that on the death or disability of an option holder, all vested options will expire at the earlier of 365 days after the date of death or disability and the expiry date of such options. Where an optionee is terminated for cause, any outstanding options (whether vested or unvested) are cancelled as of the date of termination. If an optionee retires or voluntarily resigns or is otherwise terminated by the Company other than for cause, then all vested options held by such optionee will expire at the earlier of (i) the expiry date of such options and (ii) the date which is 90 days (30 days if the optionee was engaged in investor relations activities) after the optionee ceases its office, employment or engagement with the Company; however, the Board may extend this expiry date within a reasonable period in accordance with the policies of the TSXV.

The Option Plan contains a provision that if pursuant to the operation of an adjustment provision of the Option Plan, an optionee receives options (the "**New Options**") to purchase securities of another corporation (the "**New Corporation**") in respect of the optionee's options under the Option Plan (the "**Subject Options**"), the New Options shall expire on the earlier of: (i) the expiry date of the Subject

Options; (ii) if the optionee does not become an eligible person in respect of the New Corporation, the date that the Subject Options expire pursuant to the applicable provisions of the Option Plan relating to expiration of options in cases of death, disability or termination of employment discussed in the preceding paragraph above (the "**Termination Provisions**"); (iii) if the optionee becomes an eligible person in respect of the New Corporation, the date that the New Options expire pursuant to the terms of the New Corporation's stock option plan that correspond to the Termination Provisions; and (iv) the date that is one (1) year after the optionee ceases to be an eligible person in respect of the New Corporation or such shorter period as determined by the Board.

In accordance with good corporate governance practices and as recommended by National Policy 51-201 Disclosure Standards, the Company imposes black-out periods restricting the trading of its securities by Directors, officers, employees and consultants during periods surrounding the release of annual and interim financial statements and at other times when deemed necessary by management and the Board of Directors. In order to ensure that holders of outstanding stock options are not prejudiced by the imposition of such black-out periods, the Option Plan contains a provision to the effect that any outstanding stock options with an expiry date occurring during a management imposed black-out period or within five days thereafter will be automatically extended to a date that is 10 trading days following the end of the blackout period.

The Company does not provide any financial assistance to participate in order to facilitate the purchase of Common Shares under the Option Plan. As at the date of this Information Circular there were options outstanding under the Option Plan to acquire 5,925,000 Common Shares, representing 8.0% of the Company's current issued and outstanding Common Shares.

A copy of the Option Plan may be inspected at the head office of the Company, 4907 Fillinger Crescent, Nanaimo, B.C. V9V 1H9 during normal business hours and at the Meeting. In addition, a copy of the Option Plan will be mailed, free of charge, to any holder of Common Shares who request a copy, in writing, from the Corporate Secretary of the Company. Any such requests should be mailed to the Company, at its head office, to the attention of the Corporate Secretary.

The policies of the Exchange require that rolling plans be approved by shareholders on a yearly basis. Accordingly, Shareholders are being asked to pass an ordinary resolution to ratify and confirm the Option Plan as adopted by the board which permits the issuance of up to 10% of the issued and outstanding Common Shares of the Company from time to time. To be effective, the resolution must be passed by a simple majority of the votes cast thereon by Shareholders present in person or by proxy at the Meeting. If the resolution to approve the Option Plan is not approved by Shareholders of the Company, all unallocated stock options will be cancelled and the Company will not be permitted to make any further grants until Shareholder approval is obtained.

Shareholders will be asked to pass an ordinary resolution, in substantially the following form to re-approve the Option Plan.

“RESOLVED AS AN ORDINARY RESOLUTION THAT:

- (a) “the Option Plan (the “Plan”) of Darelle Online Solutions Inc. (the “Company”), as adopted by the Board of Directors, and described in the Company’s Information Circular dated December 2, 2019, be and is hereby approved and ratified, and the Company be and is hereby authorized to reserve for issuance pursuant to the Option Plan up to 10% of the issued and outstanding Common Shares of the Company from time to time;
